Dear Sir,

I learn with great interest that a School of Arabic Studies is being established at Granada under your directorship, and I should be greatly indebted if you could send me your syllabus and any other information concerning the courses of study and general policy of this School.

As Editor of "THE ARABIC WORLD", which is published monthly in London, I am particularly interested in such developments as tend to foster understanding between Europe and the Arabic countries.

I am sending you, under separate cover, a copy of "THE ARABIC WORLD" for January.

Yours faithfully,

Mahmoud Azmi
EDITOR,

THE ARABIC WORLD.
