Professor C. Bolivar,
Seccion de Entomologia,
Museo Nacional de Ciencias Naturales,
Madrid, Spain.

Dear Sir:

In reply to a letter from the American
Consul stating I may address you directly on the
subject of entomology, I wish to request prices
or sources of possible exchange of specimens of
entomology.

These specimens are for a private coll-
ection. Any information regarding this subject
I will greatly appreciate.

Thanking you for your courtesy,

I am sincerely Yours

Ray J. Glander
