The Organizing Committee of the proposed American Islamic Mosques Association, through its Chairman, (by authorization) has issued the following resolution to go out to the entire Moslem world with which the Committee is in active contact:

"Los Angeles, California, U.S.A.

March 27th, 1939

" IN THE NAME OF ALLAH(GOD): "

"RESOLVED:--that the date, March 26th, the closing date of the 74th Japan Diet, which has grossly insulted Moslems by directed discrimination against the sacred religion of ISLAM, be considered a yearly day of shame and mourning so long as the discrimination exists, and

FURTHER RESOLVED:--- that the American Republics, in their fair political treatment of all religions regardless of the number of adherents, through having abolished State Churches, are recognized as deserving the good-will and support of Moslems and all other justice-loving peoples.

PERSONAL QUESTIONNAIRE REGARDING PRESSING NEEDS FOR MUSLIM UNITY:
(not for publication)

1. - Whom can you recommend, and with what plan, to establish at Jidda, Arabia, the permanent Organizing Office and Library for the yearly Congress of Mosque Societies?

(The sender of this questionnaire, Glick-Selim, will gladly pay his individual regular dues, along with others, to maintain such office and library at Jidda.)

2. - Is there not great need to organize a Hajji Association at this time to strengthen protection of the Haj institution?

Can you aid in organizing a "Chapter" in your community?

(It could be as a higher ritual degree to elementary lodge work prepared for all Muslimim who may wish to join an Islamic Order: thus tying local inspiration with the universal Haj. Probably the work of the mystic Dervish Orders can be sensibly adapted for our family Muslimim who are busy in affairs of the world, and who seem to retreat from life, except momentarily.)

3. - Can we not benefit by more Local Bulletins(duplicated so cheaply nowadays)?

Who will issue such in your locality?

("From tiny acorns mighty oak trees grow".)

4. - Do you also feel keenly the need for More Islamic Libraries and Reading Rooms; for Muslim Lecture Bureaus?

Who will attend to such needs in your community?

5. - Can you establish a moderate rate Translation Bureau for as many languages as possible -- to which Islamic matter may be sent with reliance?

- 6.- What other urgent needs have you noticed?

What else do you suggest?

What regular work for the sacred cause will you undertake?
