Director of the  
New York Public Library,  
New York.

Dear Sir,

I have the pleasure to acknowledge receipt of your letter of  
the 12 inst. C.S.

I herewith enclose a copy of the Decree of December 8th., 1935.

The Escuela de Estudios Arabes de Granada has taken no official  
part yet in the celebration of the 8th Centenary of Maimónides. Perso-  
nally invited by the Committee (I gave a lecture at Córdoba) <sup>I had a lecture there</sup> on the sub-  
ject. Similar celebrations have taken place in other Spanish towns.

Nothing has been published yet concerning the different acts  
of the Centenary. As soon as these publications appear I shall be  
delighted to send <sup>you</sup> copies of the same.
